COMMENT

Meeting Attended:

Colorado City Scoping Meeting

Important Issues:

Land Use (Agriculture, Residential, Recreation), Water Resources (Floodplains, River Crossings), Health and Safety, Biological Resources, Visual / Aesthetic Resources, Proximity to Residences

Property Uses:

Residential

Comment:

Please continue to consider using the existing railroad right-of-way through Pueblo and Huerfano Counties. The land is already designated to public purposes. Access for service would be unobstructed and would not require driving on private land. People who have chosen to live beside railroad tracks are already used to periodic noise intrusion.
